

Dear Parents/Carers,

As the hot weather approaches, we are aware that it is important for our children to be protected against the sun.

Please could we ask that if you would like your child to put on sun cream before going outside that you send in a bottle with their name on it.

Alternatively, we can apply some sun cream at school. You will need to send the permission slip back in order for us to do this.

If a child is not suitably protected from the sun we may decide to keep them indoors or to shorten the amount of time spent outside.

Children are also allowed to bring in plain caps and sunglasses, however if they refuse to give these items in after play they will not be allowed to bring them in.

Yours Sincerely,

Miss Angela Mumford

Deputy Head Teacher

Sun Cream Permission –

I / we give permission for to apply sun cream at school before going outside.
