WHAT'S ON!

If you are staying at home in Slough for the winter holidays, are you stuck for ideas of what to do with children or as a family? Well never fear, here at the Family Information Service we have good news for you. Slough has lots to do, including fun, free activities for you to enjoy, so there is no need to hear “are we there yet?” when activities are so close at hand.

The Slough Holiday Activities and Food Programme are for eligible children who can access four-hour sessions, four-days a week at no cost. The sessions include a healthy meal, advice for families on how to source, prepare and cook nutritious food and a variety of exciting creative activities.

If you have any queries regarding the HAF programme, please call Slough Family Information Service on 01753 476589.

Activities: All activities will be age and ability appropriate. Whether your child is sporty or creative or loves to spend time with their friends at camp, our fantastic team prides itself on ensuring everyone feels part of the action, and gets the most out of their time with us!

We tailor our activity timetables to ensure that we have something for everyone, keeping children engaged, active and happy whilst also discovering new interests and hobbies, some of our most popular activities include:

- soft archery
- circus skills
- korfbal
- dodgeball
- handball
- crazy golf
- gymnastics
- construction.

We also give the children ample time to relax, socialise and make new friends through our free play times. Children can use different pieces of equipment, have access to challenge cards to compete against their friends or they can relax and chat to their friends.

In addition to all fun activities and games, each child will receive a hot meal at lunch as they would at school, to keep those energy levels high so that we can carry on with all the fun activities in the afternoon!

We will be running nutritional workshops to help not only children but parents with some exciting easy meals to make at home. The aim is to provide some resources and materials to help support healthy cooking at home.
